

MAJOR BRUSHES

About Us

Major Brushes Ltd was founded in the early 1990's. We supply over 80% of the artist brushes sold in the UK educational market, as well as a wide range of art and craft materials. Most of our customers are educational suppliers, retailers and resellers.

Our range has been designed and produced with the help of educational specialists to suit individual customer profiles. Our stock generally covers the needs of users aged 3-18. All our products have a minimum guaranteed shelf-life of 12 months from the date of despatch. It is essential that the products are used for their intended purpose, with the appropriate painting and cleaning materials. Please note that the products in our range are not toys. They should always be used under adult supervision and are not suitable for use by children under 3 years of age. For further information on usage, cleaning and storage, please do not hesitate to contact us on +44 (0) 29 2077 8450, or e-mail artproducts@majorbrushes.co.uk

We work closely with a number of different manufacturers and distributors, and are able to produce bespoke items to order. Therefore if you are unable to find a product or certain specification in our range, please let us know as there is a good chance that we can produce it for you.

We pride ourselves on quality and service, ensuring that all our products are in stock for immediate despatch. We can usually supply on a next-day basis. In the unlikely event of any of our goods falling below the expected standard, we are happy to replace them within 7 days free of charge.

Whilst we take great care to ensure that illustrations and descriptions within the catalogue are accurate, we reserve the right to make changes in design and specification in response to development and demand. We endeavour to inform our customers of any such changes. Users should ensure that our products are suitable for their requirements. If unsure, please do not hesitate to contact us for samples.

Should you require any further information or samples, please do not hesitate to contact us. We look forward to hearing from you.
